

THE BRIDGE 2012

CONNECTING YOU WITH CAPE VERDE

MARCH NEWS, WEEKS 3-4

Our family is very well, especially the baby. Monica has felt more tired. We have been able to rest a little more during these past weeks since the remodel has stopped. The work on our house will start again tomorrow.

Our brother Fabio, his family, and also Eliane, who have counted on the help of our young men and women, are still overseeing the ministry work. Right now we can already count on the support of six Cape Verdean young men who help leading the worship services, and the singing. Some even help with the classes and the preaching. Pray for them: Patrick, Bruno, Rui, Dani, Adi and Jorge.

Next week the one-on-one interviews begin for the candidates for baptism: Nhuka, Dani, Ruizinho, Patrick, Bruno, Adi, Milene and Ilda. The baptismal service is still scheduled to take place on the 14th of April.

This week we received a visit from Carlos Heron and his family, who are here with us for a short time on their way to the mission field in Gambia, in Continental Africa. He was preaching this last Sunday and further awakening the Bible Church even more to getting more involved in the work of world missions, highlighting especially the African Continent, which is so close to us here.
